

Tactical Emergency Casualty Care

Nov 23rd & Dec 7th, 2020

The 2nd edition of NAEMT's TECC course teaches EMS practitioners and other prehospital providers how to respond to and care for patients in a civilian tactical environment. NAEMT's TECC course is endorsed by the American College of Surgeons Committee on Trauma, is consistent with the current guidelines established by the Committee on TECC (Co-TECC), and meets all of the updated National Tactical Emergency Medical Support Competency Domains. This course is accredited by CAPCE for 16 hours of continuing education credit, and recognized by NREMT.
